- 4) Coggins

(must be received by Saturday April 17)

Lori Snider
9804 Oxaus Lane
Austin, Texas 78759

We will video your ride(s). You will have the opportunity at the show to immediately get feedback from one of our L Graduates who will explain the judge's comments as you view your video. You will then have time in the warmup ring to be coached with that information current in your mind.

We hope you will join us for this unique learning opportunity in a show environment.

L Grads participating in this event are Carol Schmickrath and Lori Snider.
