

3rd time is a charm !
Twice scheduled, twice rained out.
Perhaps we should schedule this workshop more often and we wouldn't have a drought!

Austin Dressage Unlimited presents...
Dressage Test Riding Workshop

Sunday Aug 23, 2009
 TNT Farm, Georgetown, TX

PART ONE:
The most important part.
 The first 20 min the rider will be coached on how to do a proper warm-up before their test, based on their respective level of competition.

PART TWO:
 Riders will perform their dressage test of choice while being judged by USDF "L" graduates. Auditors are also encouraged to practice judge the tests. Discussion will follow.

The format of this workshop is designed to help riders prepare for a competition ride, and to help both riders and auditors understand the preparations needed, and the process of judging the dressage tests.

Both the schooling sessions and the tests will be performed in a 20m x 40m covered arena in order to beat the heat and avoid any more freak rain storms!

Fees to be donated to ADU:

Riders: \$25 workshop fee (+\$10 to TNT if you want a day stall)
 Auditors: ADU Members - \$5 donation Non - ADU Members = \$10 fee

Everyone is encouraged to bring a dish or drink for the always popular "grazing table."
