Young Horse Competitions

presented by

Joan Darnell, USEF "S" Dressage Judge

**Infinity Farm has competed at least one horse in the Young Horse Championships
from 2005–2008, and qualified another in 2009.**

The Markel/USEF Young Horse Dressage Program for 4, 5, and 6 year-old horses, promotes the importance of selective breeding and correct training of horses in the United States, and encourages participation of breeders, riders, and trainers of young horses in dressage competition. The purposes of this program are to encourage the properly structured development of young dressage prospects through the training scale; to identify and recognize outstanding talent and the training of international-caliber horses; and to prepare these horses for future careers at the FEI level and participation on U.S. High Performance teams.
