A Review of the 2014 National USDF Dressage Championships

The U.S. National Dressage Finals is a gathering of hundreds of the best of the best from across the country. This end of year head to head competition featuring Adult Amateur & Open divisions from Training Level to Grand Prix, took place at the Kentucky Horse Park on Nov 6-9, 2014. Our very own Joan Darnell, "S," was one of the judges at these prestigious championships. At this ADU Dinner & DVD Night, hosted by Pine Meadow Farm, Joan will be reviewing a selection of the competition rides from various levels of these Finals. She will give a running commentary as we analyze and discuss the performances. Questions are welcomed, and we will stop and replay movements we want to discuss, highlighting the good and not so good of the test rides. Please join us for this evening of food, fun, and dressage education!
