

# **Horse Health Overhaul**

**How to Tune-Up Your Horse's Health & Get Him Ready for the New Year!**

**Saturday, January 14, 2012 1-4 pm**

**Dr. Nick Moore, DVM**

**Moore Equine Medical & Dental Services**

**to be held at County Line Equestrian Center  
1001 CR 138, Hutto, TX 78634**

**Please join us for the 1st ADU Educational Workshop of 2012  
& get your horse prepared for a healthy new year!  
Topics will include:**

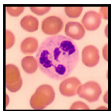

Vaccinations, Infectious Diseases, & Prevention – recent local outbreaks & current recommendations  
With AAEP educational brochure handouts

Deworming – protocols, new classes of drugs, & drug resistances  
See what your horse's common worms look like & why they cause problems

Dental Topics – problems, ways to check for pain, & corrective procedures  
With horse skulls showing examples of teeth problems

Bloodwork – diagnostic & preventative, Complete Blood Counts & Chemistry Profiles  
With printouts of CBC & Chem Profile testing & what they mean for your horse

Other Bonus Topics – as time allows

**ADU members: FREE**

**Non-ADU members: \$5**

**Please RSVP by Wed Jan 11 to: Cean Embrey [embreyo@aol.com](mailto:embreyo@aol.com) or 512-267-1774**

***Bring a dish or drink for the ever popular grazing table.***
