

Designing the Musical Freestyle Choreography for 3 Horse/Rider Teams

hosted by

Austin Dressage Unlimited (ADU)

instructed by

Katrina Wuest FEI 5* International Judge
World-renown Expert on Freestyle Design

Saturday evening Jan. 9, 2016 6:30pm - 9pm

Gumbo's restaurant on the Square, 701 Main St., Georgetown, TX

3 Horse/Rider teams, winners of the 3 silent auctions, have sent Katrina a video ahead of time of their horse performing the movements of their level so that she could evaluate the strong and weak points of the team. Katrina then choreographed a pattern for a Freestyle for each of them, considering the best usage of the arena to highlight the team's strengths and minimize their weaknesses for the most successful performance score. During this dinner presentation Katrina will show attendees how each of these Freestyles was custom designed for each horse/rider team and why. Questions and discussions are encouraged. Judges, "L" Graduates & Candidates, Trainers, Instructors, Riders, & all who appreciate Dressage Musical Freestyles, are invited to attend this unique educational event. You won't want to miss it!

Limited seating. Pre-registration required. Preference for this evening's presentation will be given to those registered for both days of the Katrina Wuest Judging Seminar.

Online & hard copy Registration forms are on the ADU website:
