

Anna Beeson Services tentatively scheduled for 11am on Saturday 3/28 Casual event open to friends and family (updates coming soon)

Many in the Austin equestrian community were lucky enough to know Anna Beeson and experienced first-hand the natural light she possessed and her love of all life had to offer!

Anna passed away on Thursday night at 7:15. Her services are tentatively scheduled for Saturday at 11:00. Once the time is firm we will send the information. Please let Anna's friends know. The services are open to all Anna's friends and will take place at

Ellie's Green Burials
Eloise Woods Community Burial Park
115 Northside Lane
Cedar Creek, TX

DIRECTIONS

Eloise Woods Community Natural Burial Park : 115 Northside Lane, Cedar Creek, Texas 78612

From Austin: From TX HWY-71 turn right just east of the airport (1.5 miles) at FM 973 South. Turn right (south) and drive 1.8 miles. Turn left at Pearce Lane (HWY 535) for 9.2 miles. The burial park will be to your left. Go past Northside Lane (which is the west side of the park) about 600 ft. to the main entrance on the east side of the park. Look for the colored flowers on the fence. The gate may be closed but will not be locked. There is a chain wrapped around the post which has scary looking locks hanging from it - but they are not locked to anything. Just unwrap the chain from the post and pull the gate open to the road. You can leave the gate open while visiting and close it behind you.

From Bastrop: From TX-71 West turn left (to head southwest) on HWY 21. Turn right on HWY 535 (also called Pearce Lane) for 2.1 miles. The cemetery will be on your right.

If coming from the south (San Marcos) or north (Waco) take the toll road (130/45) and exit at Pearce Lane. We are 8.6 miles east.

There will be hay for all to place in her grave and also the opportunity to write notes to leave with her. What a great friend Anna was to so many people. We will all miss her.
