

Austin Dressage Unlimited (ADU) presents a

Century Club Schooling Show

**Open to rider/horse teams whose combined age is
100 yrs old or greater!**

(attendance is open to all who want to come & support them!)

**Sponsored by The Dressage Foundation's
Century Club program**

Saturday Dec. 3, 2022

hosted by

Brookstone Farm 1011 Patriot Way, Georgetown, TX 78626

The Dressage Foundation's "Century Club" recognizes Dressage riders & horses whose combined ages total 100 yrs or more. The team can perform a test at any level at this show. The rider need not show everything at their level of ride, but it is important to show that the rider & horse work well together.

***An application for the Century Club, found on the TDF website: www.DressageFoundation.org (click on Century Club at the top of the page) should be completed online, by email, or mailed to TDF at least 2 weeks prior to this show – no later than Nov. 18. A copy should *also* be sent to ADU's Cean Embrey at embreyo@aol.com to register for this special schooling show. TDF will then send a beautiful black & gold ribbon to be presented to the team at the show. Following the documented ride, TDF sends a personalized Century Club plaque to the new team, and will highlight them in the TDF newsletter and on their website.

There is **NO ENTRY FEE** for our Century Club teams to participate and perform their ride at this show. The rides will be scored by a judge and riders will receive their score sheet. But this is *not* a competition and *no* scores will be posted. It is a celebration of our vintage Dressage riders & horses!

There is **NO APPLICATION FEE** to The Dressage Foundation for this program. The purpose of this TDF Century Club program is to encourage and reward our older senior riders & horses.

Interested participants, please contact us soon so we can help you plan for attending this special event with your special equine partner! You are both worth your weight in gold!

**Everyone is invited to attend this Celebration!
Come & support our senior-est Dressage riders & horses!**
