

How to turn this into this

**ADU 4th Level/PSG Workshop
& The Dressage Foundation "Gifted Grant" Recipient Open House**

Sunday May 20, 2012 starting at 1 pm

hosted by

Brookstone Farm - 1011 CR 104, Georgetown, TX 78626

4th level & Prix St. Georges represent the junction between the USDF national tests & the tests of the FEI - Federation Equestre Internationale. Requirements include the challenging canter pirouettes, half pass zig-zags, & tempi changes.

The workshop will begin with a lower level horse demonstrating the foundation of basics that are necessary & how they will eventually develop into the upper level movements. Included in this workshop will be a demonstration & discussion of the training techniques & exercises used during The Dressage Foundation's Carol Lavell "Gifted Grant" boot camp for Region 9 AA recipient Cean Embrey & Titleist. Information will be available for others interested in applying for this & other grants offered by The Dressage Foundation.

As always, questions & discussions are strongly encouraged.

Dressage tests will be performed at this workshop with the auditors given the opportunity to practice judge & scribe.

A table full of horse themed cookies, cupcakes, and other delightful edibles will be offered to those attending this sure-to-be-fun Open House & dressage educational program.

*This will be an exciting Workshop to watch & learn from!
Please join us!*

FREE for all dressage enthusiasts - please bring a chair

Please RSVP to Carol by Wed May 16 Brookstonefarm@aol.com or 512-863-5005
