Saturday Oct 29, 2016 starting at 6pm

**at their home at Equiscape Austin Farm, owned by Patti Porter
411 Blessing Ranch Road, Liberty Hill, TX 78642**

The *special video presentation* this evening will be a compilation of **LEGENDS OF DRESSAGE!** - selected performances of famous people & horses throughout the modern history of Dressage. You will see:

Reiner Klimke/Ahlerich, Willi Schultheis/Dynasty, Herbert Rehbein/Donnerwetter, Harry Boldt/Woyczek, Christine Stuckelberger/Granat, Anne Grethe Jensen/Marzog, Robert Dover/Devereaux, Carol Lavell/Gifted, Michael Poulin/Graf George, Anky van Grunsven/Bonfire, Nicole Uphoff/Rembrandt, Edward Gal/Totilas, & more.

As we watch, we will discuss the qualities that made each of them so spectacular in their time, and compare them to our current World champions. We will also discuss the physical development of the dressage horse through selective breeding over the decades to create the superstar athletes of today. You can't find this "video" anywhere, it has been specially created just for this evening's ADU educational DVD night.

Please join us for this special ADU video presentation!
